

Phoenix School Charging and Remissions

Date	Review Date	Coordinator	Nominated Governor

We believe that the school's greatest resource is the teaching and support staff who provide an excellent education for the pupils of this school. We will endeavour to provide the right conditions for all staff and to achieve a suitable work-life balance in order for them to undertake their job to the very best of their ability.

We value and appreciate the contribution that all school personnel make to the continued success of this school and we greatly rely upon the contributions from all school personnel in creating and maintaining a school that is happy, caring, safe and successful.

We are committed to ensuring that positive steps are taken to promote the right conditions for school personnel by providing:

- an excellent workplace environment that caters for the general health, safety and welfare of school personnel;
- a stimulating learning and working environment;
- a balance between their working life and their out of school commitments and interests;
- free refreshments at all after school events such as Parent-Teacher Consultations and those attending governing body meetings;
- a free place with all costs paid (including insurance) for all off-site residential educational visits in the UK and abroad;
- free meals at selected school closure days for teacher inset;
- free car parking in the school grounds

School personnel will not pay for any accidental damage that they cause to school property but a member of staff will be charged if it has been proven that they have deliberately caused damage to school property.

We believe it is not unreasonable to expect school personnel to pay for all:

- lunches purchased in school;
- off-site social events organised by school personnel;

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
