

Phoenix School Health and Safety at Work

Date	Review Date	Coordinator	Nominated Governor

We believe this policy relates to the following legislation:

- Health and Safety at Work Act 1974
- Employers' Health and Safety Policy Statements (Exception) Regulations 1975
- Safety Representatives and Safety Committees Regulations 1977
- Health and Safety (Consultation with Employees) Regulations 1996
- Management of Health and Safety at Work Regulations 1999
- Education (School Premises) Regulations 1999

We recognise our responsibilities under the Health and Safety at Work Act 1974 and will take all reasonably practicable steps to provide and maintain safe and healthy working conditions (on the school premises and during school-sponsored activities), equipment and systems of work for all our pupils, school personnel and visitors to the school.

We believe we can help prevent accidents and provide a safe and healthy working and learning environment only if everyone works together to adopt and use safe systems of work and identified good practices of health and safety. Everyone has a duty to take care of their own safety and that of others while on the school premises or during school-sponsored activities.

- The Governing Body
- The Headteacher
- Teaching Staff
- Support Staff
- The Site Manager

- Pupils
- Parents
- Visitors

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
