PCAE Sailing and Cycling group

Through the summer term two groups of students from upper school are worked towards the physical element of their D of E award by participating in sailing and cycling sessions supported through Vivacity Sport and Leisure and Peterborough Sailability Team. The sailing group accessed the challenger boats and went on the water with a 1- instructor. The lesser confident students accessed a larger boat called a Lugger where supported by a class assistant as well as an instructor. Cyclists access adapted bikes so that they could ride alongside support assistants. Each session was a mile in distance.

Cricket Society Trust Final

The Phoenix school made the regional final of the 2017 Cricket Society Trust. This was played at Burghley House Stamford on Tuesday 13th June 2017 against Priory School of Spalding. A group of gifted and talented pupils were selected to represent the school from post 16. The day was fantastically organised even with food provided and the game was competitive as well as a bit of fun. The scores ended Phoenix 56-9 Priory 145 – 9 off 15 overs. Congratulations to the Priory School.
