Outstanding Teacher Programme

The Outstanding Teacher Programme (OTP) is for School Leaders and teachers. This programme gives good and outstanding teachers high level skills to enable them to become consistently and sustainably outstanding. The Outstanding Teacher programme has gained a national reputation for raising standards in teaching and learning.

The OTP empowers teachers to consistently deliver high quality teaching and learning. Through practical and interactive development sessions, participants will build confidence as they generate ideas and strategies on how to improve their practice.

The course will provide teachers with:

- The ability to raise levels of engagement and achievement in learning.
- Develop a common language to discuss teaching and learning.
- The ability to coach colleagues and pupils in their own school and in other schools to raise performance levels.
- Raise performance in the classroom by encouraging creativity and developing more innovative practice.
- Demonstrate a higher level of understanding of teaching.

What will the programme involve?

The facilitators have been accredited with a certificate for delivering Outstanding Teacher Programme through Olevi.

This programme comprises of teaching and coaching is over a period of six weeks. Within this there are linked practical ‘In-school’ tasks which take place in your own and another participant’s school.

The OTP is facilitated by outstanding primary and special school practitioners through face-to-face sessions and classroom observations. Participants focus on a range of aspects of teaching and learning such as challenge, engagement, assessment, differentiation, questioning and planning.

Impact

Participants become much more reflective about their teaching and much more aware of how to make their lessons consistently outstanding. This includes placing greater emphasis on:

- The purpose of the value of their lessons
- Raising levels of engagement in learning
- The use of different teaching styles to challenge learning
- Greater readiness to innovate and take risks
- More reflective planning.

Most participants find the coaching element a highlight, enabling them to understanding the importance of the relationship between 'outstanding teaching' and 'professional coaching'. The impact of the programme

is reinforced through independent assessments by schools using qualified inspectors, review teams or AST assessors.

Successful participants have achieved more formal recognition in the form of Excellent Teacher Status, Advanced Skills Teacher (AST), and Specialist Leader in Education (SLE) accreditation. More informal achievements have been recognised with endorsed coaching qualifications and Leadership responsibilities in Teaching and Learning back in their own school.
